WinMOD-SIMLINE Software Maintenance Service Delivery Request for an Upgrade to WinMOD-SIMLINE Version 8.0

For WinMOD-SIMLINE Systems with WinMOD-SIMLINE Software Maintenance Service we offer an upgrade free of charge to the actual WinMOD-SIMLINE Version 8.0.

The actual WinMOD-SIMLINE Software Version 8.0 can then be simply down-loaded.

WinMOD-SIMLINE Libraries will be offered in the future as time based rental licences (period 12 months). Your already licensed WinMOD-SIMLINE Libraries will be automatically licensed for 12 months on version 8.0.

You will maintain your WinMOD-SIMLINE License Version 7.1 also after the upgrade to version 8.0. Thereby you will have in the future the possibility to select the requested version status in advance, and to use both version in parallel.

For data reconciliation with our license data base, we kindly ask you to complete the address data, the WinMOD serial number and return it.

Download of WinMOD-SIMLINE Setup 8.0:

The actual WinMOD-SIMLINE Version 8.0 is available in the WinMOD Customer Center on our website:

WinMOD Customer Center → Category Product Support → SIMLINE (Login with serial and license number)
[WinMOD-SIMLINE Setup V8.0](#)

In the scope of our WinMOD-SIMLINE Software Maintenance Contract we request upgrade to WinMOD-SIMLINE Version 8.0 for the WinMOD-SIMLINE License with the following serial number:

Our WinMOD Serial Number: _____
